

Technical drawing of a sewerage network layout for the replacement of a sewerage line. The drawing shows a street layout with buildings, a proposed sewerage line (thick black line), and various elevation points and dimensions. The street is labeled "Gönczi F. u." and the project is identified as "GFT I/2015/1". The drawing includes numerous elevation points (e.g., 182.36, 182.51, 182.60) and dimensions (e.g., 10.00, 12.80, 14.00) indicating the layout and depth of the sewerage system.
